

Maryland Balance of State Continuum of Care Board Member Orientation

June 18, 2020

1-4pm

Orientation Purpose

Set the stage for an active, data-driven, purposeful CoC and CoC Board. Board members will leave with a solid foundation for understanding the CoC's responsibilities, how HUD evaluates CoC performance, and what role board members play in improving the performance of the CoC.

Meeting Format

The orientation will be held via webex ([event link](#)). This will be an interactive meeting, so all participants will enter the meeting unmuted. **Participants should mute their own phone/mic or use the webex meeting controls to mute their line.** The orientation will be recorded and provided to board members along with a copy of the slides after the meeting.

Agenda

Time	Content
1:00pm	Introductions Board members will be asked to introduce themselves briefly
