

392

INDIVIDUALS EXPERIENCING HOMELESSNESS JANUARY 27, 2021

Due to the COVID-19 Pandemic, the 2021 Point in Time numbers are likely artificially low. It is not recommended that this data be used as a comparison tool to prior year counts based on the considerations stated below.

AT A GLANCE

291

Families

78

Chronically Homeless

28

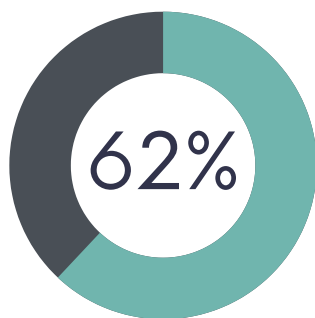

Veterans

11

Unaccompanied Youth
18-24

23

Survivors of
Domestic Violence

Bed Utilization
January 27, 2021

CONSIDERATIONS

- ◆ The 2021 PIT Count was unique from prior years due to pandemic restrictions, fewer Street Outreach Teams available to count
- ◆ Emergency Shelters were operating at a limited capacity to increase social distancing
- ◆ Eviction moratorium may have kept individuals housed who would have otherwise become homeless
